Unscheduled Child Before/After Care

There may be occasions when you are not able to pick up your child and will need to use the ALCS Child Care Program. If you think you will need the aftercare program at any time during the school year please fill out the necessary enrollment paperwork.

You must contact the school office before the end of the regular school day if your child will be attending the program unexpectedly. If you know before the start of the day or even a few days in advance that you will be using the Aftercare program, send a note to your child's teacher so that we can inform the Aftercare staff and make necessary preparations.

If you do not call or send in a note, normal dismissal procedures will apply and we will be expecting you to pick up your child their assigned dismissal time.

If you drop your child off before 8:15am, regardless of their age or what grade they are in, they must be left in the before care room. If you do not pick your child up at their regularly scheduled dismissal time they will be brought to the aftercare program and all applicable fees will apply. **Unsupervised students are not permitted on school grounds before or after regular school hours.**

If your child has music lessons and will attend the aftercare program please be sure to fill out the enrollment packet. You will be charged the usual hourly rate for only the time the program is utilized.
